```java
package org.assignment.linkedlist;

import java.util.LinkedHashSet;

public class LinkedHasset {

    public static void main(String[] args) {
        LinkedHashSet s= new LinkedHashSet<>();
        s.add(10);
        s.add(100);
        s.add(null);
        System.out.println(s);
    }
}
```
